He flew 260 sorties in the F-100 in Vietnam, 61 of them as "Misty" flights. "Misty" was the radio call sign used by the F-100 Fast Forward Air Controllers during the Vietnam War. They were moving very fast and had observers or "backseaters. On his last "Misty" flight he was shot down with Dick Rutan as his backseater. They were "pulled from the drink" and made it home safely.

Chuck received the Silver Star, four Distinguished Flying Crosses, Purple Heart, sixteen Air Medals, the Vietnamese Medal of Honor and others. He moved back to the Fresno area in 1977 and in 1968 he went to work for Continental Airlines and stayed with them until 1984.
