Everything you always wanted to know about Air Traffic Control and a few things you really didn't want to know (just kidding, well... maybe). A few of us have known Kimbree for many years. She has a lot of experience interacting with pilots outside of her work environment, a great sense of humor and sometimes is a bit irreverent. If you see Air Traffic Control as the ominous black hat to be avoided this informal talk can help shatter that image. Trivia: Kimbree's little known but not secret ambition is to try wing walking. By the way.... Its not Kim, not Kimberly... but Kimbree, under penalty of FAA violation.
- XII. Closing Comments and Adjournment.
